MY NAME

ELECTRICIAN INSTRUCTOR | JOURNEYMAN ELECTRICIAN

OBJECTIVE

Instructor looking for the next step in my career seeking a position where I can better apply my 5 years of experience at the JATC. I would like to use my experience dealing firsthand with apprentices to improve our industry as we move into the future.

SKILLS

- Outstanding Apprentice-district- Date
- Outstanding Apprentice-L.U. 479-Date
- Eagle Scout- 2006
- Mastery of Microsoft Office programs
- Experience using software to create and manage budgets and payments
- Expert in the Maintenance and troubleshooting of Computer related problems
- Time Management
- Acute attention to detail

EXPERIENCE

INSTRUCTOR • ELECTRICAL JATC • 2014 – CURRENT

- Design and cater instruction to apprentice needs and learning objectives
- Design hands on Labs to improve deficiencies in On-the-job training
- Mentor apprentices on job related issues as they arise
- Dramatically decreased dropout and failure rate of first and second year without lowering standards
- Manage classroom time for effective instruction

JOURNEYMAN INSIDE ELECTRICIAN • IBEW • 2014 – 2014

- Ran Trouble calls for several months prior to accepting Instructor position
- Was able to hit 6-7 calls per day quite often
- Rebuilt service overnight with another journeyman for railyard to minimize downtime. Job included replacing 20 foot of four inch rigid and pulling 6-500kcmil conductors from the weatherhead to the switchgear.

APPRENTICE INSIDE ELECTRICIAN • IBEW • 2009 – 2014

- Worked quasi-independently from Journeyman doing maintenance at Martin Gas. Often doing entire projects independently
- Ran a crew of 6 pulling wire for VPS4 pre-turnaround at Motiva
- Ran trouble calls with a Journeyman to improve troubleshooting skills
